1. Parties to this Agreement:

The Client (as defined in the Registration & Participation Forms) and JBC Energy (defined as JBC Energy GmbH and its Subcontractors) are collectively referred to as the "Parties" and each as a "Party" to this Agreement.

2. Scope of this Agreement:

The Registration & Participation Form will define the Services (also referred as “Seminar” or “Training”) for which the Client registers and for which the Client shall pay Seminar and/or Training Fees.

3. Payments:

Invoices issued are payable within [14] days of receipt but latest by August 20, 2019. Payments shall be deemed effective when the invoiced amounts are credited to the account of JBC Energy in Vienna, Austria. The bank account details will be provided separately. All payments made by the Client pursuant to this SSA shall be paid without deduction for or on account of any present or future taxes, unless the Client is required by law to deduct such taxes. In that event: (a) all taxes required by law to be deducted or withheld by the Client from payments under this SSA shall be paid by the Client when due with a copy of the official certificate acknowledging payment from the appropriate authorities being provided forthwith to JBC Energy; and (b) the Client shall pay such additional amount to JBC Energy so that JBC Energy, after the deduction or withholding for or on account of taxes, receives the full Seminar and/or Training Fees.

The Client shall indemnify JBC Energy against any claims on the basis of taxes payable in any country other than Austria and the Client shall hold JBC Energy harmless from any obligations arising from the Client's country tax regulations and any potential costs associated with such obligations such as, but not limited to, employment of tax advisors or administrative staff.

4. Cancellation Policy:

Registration & Participation Forms for Seminar and/or Training Services, respectively, shall be considered independent from each other. The cancellation of either Services shall not affect the validity of the other Services. No refunds will be made for Client cancellations received by JBC Energy one month or less prior to the start date of the registered Service. Client cancellations received by JBC Energy up to one month before the start date of the registered Service will be subject to a 50% fee. In case of any payments to be made by the Client following a cancellation of participation by the Client, the Client shall

be entitled to EITHER receive the respective materials of the cancelled Service OR receive the payable fees' value in the form of other JBC Energy services at the Client's sole discretion, of which the Client shall notify JBC Energy in writing (email shall suffice). In the unlikely event of cancellation of the Seminar and/or Training by JBC Energy, registration fees will be refunded in full, and JBC Energy shall have no further liability.

Where matters beyond the reasonable control of JBC Energy impair or prevent JBC Energy from being able to perform their obligation pertaining to the events, the Client/Attendee releases JBC Energy from any liability, incidental or consequential, to such matters.

7. Intellectual Property:

The Client/Attendee agrees and acknowledges that all proprietary rights, including but not limited to copyrights, patents and trade secrets in the Seminar and/or Training Services, other analytical advice, related data and information and in all components thereof (the “Intellectual Property”), are and shall remain the property of JBC Energy and its sources and providers and that nothing in any part or the whole of this framework shall be construed to transfer or convey any Intellectual Property rights.
